

**T**he summer break has arrived and we would like to thank you all for your support to the club. A lot of changes have been made across the club this season and a lot of progression has been made by the children. The involvement into the Essex Mini League had produced some great team spirit which has been very noticeable at the gala's. The best by far of the competing clubs, keep it up swimmers & ((Parents), its about time you lost your voices too!). The tuck shop has been a great success thanks to the Friday Night Lady's !! Club kit is on sale on Fridays at Campions and now Wednesdays at St Edwards. This leaves us just to wish you all a very restful and safe summer and see you all in Sept. Check the web if you need anything during the break. Take Care

### TIME TRIALS

A big thank you goes to Mr. Artingstall for his sponsorship of the trials. His contribution went towards the swimmers medals and without it the medals would not have been of such good quality. There was a superb afternoons swimming by all those who took part, some great times and some admirable performances by the little swimmers. Thank you so much to all the helpers for all their hard work. These events cannot be run without these volunteers. The next time trails will be held on Saturday, 21st October 2006. Please remember time trials last for approximately 3 hours! We need a Sponsor for the next one.
